

Driving Directions

From Hood Canal Bridge:

After crossing bridge, continue on 104 for approximately 4 miles. Turn right on Hwy 19, aka Beaver Valley Road. At about 9 1/2 miles go straight through 4-way stop and continue for about .8 (8/10) miles. Turn right into HJ Carroll Park. FIN is to the right, near red-roofed picnic shelter. The combination on all the locks is 0205 on the box, spare tire and mouth guard. There are electrical adapters for tail lights in box.

To return Fin, go around the loop at the shelter, and park Fin to the side.

From Quilcene:

Leave Hwy 101 by going straight on Center Road for Chimacum. At the 4-way stop at about 15 miles, turn left. Go .8 miles and turn right into HJ Carrol Park. FIN is to the right near red-roofed picnic shelter. The combination on all the locks is 0205 on the box, spare tire and mouth guard. There are electrical adapters for tail lights in box.

To return Fin, go around the loop at the shelter, and park Fin to the side where you picked her up.

Be sure to make the turn very wide and drive slowly!
