Changes at NOSC

At the end of July, Kai Wallin will be saying good-bye to NOSC and our community. Thank you for two great years as Volunteer and Outreach Coordinator, Kai!

She is leaving the area for adventures aboard a sailboat but hopefully she'll be back to see us in the future. Until then, Happy Trails! May the Salmon be with you.

Hello Salmon Friends-

Thank you NOSC volunteers for stepping up to help us in April! Because of you we were able to plant 510 native trees in our nursery, successfully finish our fyke netting season, attend both the Fly Fishing Show in Sequim and Earth Day in PT and teach over 250 Grant Street Elementary students about salmon. Whew!

We hope you had as much fun as we did and we look forward to seeing you out there helping salmon again soon!

Love, NOSC

Join NOSC in the RHODY Parade!

On Saturday, May 21st from 12:30-2:30pm NOSC will be marching with FIN in the Rhody Parade. **We hope you can join us!** Staff, Board, friends, families, partners and our beloved volunteers are all invited to put on your salmon finest and walk with FIN. Our theme is "Community Stewardship, Collaborative Restoration" and we'll have shovels, wheelbarrows, tree seedlings and the WCC Crew by our side.

Sound fun? RSVP with Kai: kwallin@nosc.org

Let's show our FIN pride in the Rhody Parade!

Sierra Club work party in Port Angeles

Saturday May 14th 10am - 1pm

We will be weeding our native plant garden at the Morse Creek cabin this month with the local chapter of the Sierra Club. Meet us at the site if you want to help.

For directions, email Aliina: alahti@nosc.org

Juvenile salmon surveys at Disco Bay

Looking for 1 volunteer to help with ocular (visual) surveys at Salmon Creek Estuary in Discovery Bay this month. Come look for juvenile salmon with us! Date to be announced.

Email Sarah if you're interested: sdoyle@nosc.org

Thank you April volunteers!
