## Happy Spring!

Thank you to everyone who helped us pot up almost 900 plants at our Nursery Potting Party and to our hardy volunteers who continually brave the cold mornings in Discovery Bay for our Fyke Net Monitoring. It's been an enjoyable and productive last few weeks because of you!

We have only three more opportunities to plant trees along some of our favorite creeks before the end of the planting season. We hope to see you on an upcoming Saturday!

Enjoy all the beautiful spring flowers (and showers),  
Jac Entringer

## **VOLS NEEDED: Last 3 Planting Events** **Saturdays from 10am-2pm**

Volunteers are needed the next three Saturdays to help us plant hundreds of plants before the end of planting season. NOSC is partnering with the Jefferson Land Trust to plant on two JLT properties along Chimacum creek. The third event will be on Morse Creek, PA.

- **March 23rd:** JLT Marshall Easement, Chimacum
- **March 30th:** Morse Creek, Port Angeles
- **April 6th:** JLT Illahee Preserve, Chimacum

will be greatly missed. His love for this region, most notably our fish and streams, was apparent in all his accomplishments. He guided the enjoyment and appreciation of the Peninsula's streams for people both near and far and his work will always be remembered. We'll cast one out for you,  
Doug.

**SAVE THE DATE:**

NOSC at Wild Bird's Unlimited Earth Day Festival, Gardiner WA

**Last Chance to Live on the Edge -April 4th**  
**Free Buffer Workshop in Port Ludlow**

If you live on a shoreline, near a bluff, adjacent to a wetland or cree, you will want to attend this free workshop called Living on the Edge - Protection for People, Property and Habitat. This workshop is hosted by Jeff Co Extension, the Jeff Co Weed Board and the Watershed Stewardship Resource Center. For more info click here: [Living on the Edge](#)

**When: Thursday, April 4th**

12:30-4:30pm - presentations followed by local field trip

**Where: Ludlow Community Center** (Grace Christian)  
200 Olympic Pl, Port Ludlow, WA

**Safe your space today!** Email [darcym@wsu.edu](mailto:darcym@wsu.edu) or call 379-5610 x 222

**WSU BeachWatcher Training**  
**10 sessions in April**

This fast paced class will provide you with an overview of activities, issues and organizations involved with water

resources in Jefferson County. Participants will gain new skills, learn from experts, meet new people and join in a tradition of service to the community. For more details visit here: [WSU website](#)

The 2013 training will be held Tuesdays and Thursdays, 9 am to 4 pm, from April 2 through April 30, 2013. You can [download the Application here](#). For more information, contact Cheryl Lowe, WSU Beach Watcher Coordinator at 379-5610 x 230 or [cheryl.lowe@wsu.edu](mailto:cheryl.lowe@wsu.edu).
